News & Events at LOC and in our Community!

We empower people to live the life God made them for.

We do what we do because we believe God has called us to be a blessing to others, helping make their life better because of the love of Christ. We do what we do because we believe that when we serve others, we discover a little more what our purpose really is. Whether you are discovering God's purpose for you or you want to help others, you've found a home with us.
